<b>Great Preachers: The Odyssey Channel Collection</b>	<b>\$12/VHS</b>			
<p>The Master Communicators of our age, based in part on the Baylor University survey.</p> <p>In our age of rapidly developing and diversified mass media many have thought that preaching was a dying craft from a bygone era. The opposite is true. Preaching is assuming new prominence and reaching wide audiences as people try to make sense of their world, their lives and God in a world reeling from the assault of communications overload.</p> <p>This Odyssey original captures the essence and message of the greatest preachers of our time. Based in part on a Baylor University study of the most effective preachers in the English-speaking world, Odyssey brings us these pulpit artists in the settings in which they shine. Not only does Great Preachers present an actual sermon, prepared and delivered for this special series, but host Bill Turpie interviews each subject to explore their message and spiritual journey in preaching.</p>	<b>\$12</b>
